

Cultivating Change

A movement to raise awareness of LGBTQ+ people in the field of Agriculture

Wednesday, October 18th, Library Scale-Up Classroom, Doors Open at 4:30, 5:00-6:00, **Panel Discussion
& Club Interest Session** to follow

Students and alumni will talk about their experiences of being LGBTQ in CALS and the field of agriculture. Following the panel discussion, an interest discussion will occur about starting a support organization for students within CALS.

Refreshments provided.
